

INDOOR DEN CHALLENGE!

Build your own den with materials from around the home

It could be a cosy place for reading or drawing, a spooky haunted house, a castle protecting your most valuable treasures, or your very own secret hideout!

Bed sheets, cardboard boxes, chairs, tables and other pieces of furniture can be used to create your dens. Don't be afraid to move stuff around – furniture can always be moved back!

Useful Materials

Sheets, blankets, cardboard, pegs, butterfly clips, washing lines, string, tape, scissors, fairy lights

If you would like to share a picture of your den with others, please email it to Becky (becky@upourstreet.org.uk) or WhatsApp 07903 089 002 and we will share it on our social media. We won't share your pictures with anyone else.
